 - All score cards must have 2 players and be signed
- Handicaps will be averaged on weekly play-no AGA required
 - League End Date To Be Announced
- Call Rob Regnier at 855-5585 with questions

Big Brothers Big Sisters provides children facing adversity with caring mentors who help provide individual guidance and support.

We are about connecting similarly motivated individuals and organizations and providing a foundation for achievement – In the center of all we do are the children we serve.

They are surrounded by a team of parents/guardians, volunteers and donors who support their success in school and life.

**Every time you DONATE or VOLUNTEER with Big Brothers Big Sisters,
YOU Start Something.**
